

Important Notice

Don't forget the WISS AGM to be held on Friday 30th October 2015 at Creswick Woollen Mill commencing at 11.00am. By now you should have received, in the mail, your invitation, cover letter, agenda & nomination form. If you have not received them please give Jill a call in the office on 03 9369 2077 or email us at wiss@woolcell.com.au so that we can get a copy off to you. It would be great if as many of you as possible could attend this meeting as your input into the running of this company successfully is important to us plus it is a good opportunity to catch up with your Directors, Wool Reps along with other wool growers. This year's quest speaker is **John Webb Ware** who is currently the Senior Consultant with the Mackinnon Project at the University of Melbourne. He advises to beef and sheep producers throughout south eastern Australia on all aspects of farm management and production where the objective is to maximise profitability. In addition to consulting to farming businesses he also consults widely to agribusiness. In addition to farm consulting, he is a member of various farm management and agriculture related committees and undertakes teaching of undergraduate and postgraduate Veterinary and Agriculture students and is involved in a number of on farm research projects. He was recently awarded the 2014 Hugh McKay Partnership Award. John also jointly runs a sheep and beef property on Melbourne's fringe in partnership with his wife and family in his spare time. Lunch will be provided after the AGM before you head back home.

GOLDALEA RAM SALE

The photo is the top priced ram from the Goldalea ram sale this week which topped at \$1350 with an average price of \$886.00

On behalf of the vendors many thanks for those who attended.

Damien Meagher (WISS), Russell Gordon (Goldalea) Brent Flood (Rodwells)

DON'T FORGET

WISS has now got a facebook page. So if you are on facebook please come and check out & like our page. Also feel free to put your own comments or information you feel may be useful to us or your fellow woolgrower.
