2nd August 2016 –5 select rams at Hamilton Sheepvention

10th October 2016 –Golddalea's Helmsman Ram Sale

Another year has passed, and we are gearing up ready for the upcoming Ram Sales. Last year we had our second On-Property Helmsman sale selling 28 Rams that averaged \$736.00 each.

We continue to seek out new Sires to compliment and improve on our selected traits. We are excited to see progeny dropping from our New Coryule Sire that we purchased last year. We are Still using one of our best sires from Ridgway Advance - RA 220, as the cull rate is very low. We have once again used our Glenlea Park Sire in this joining season.

This year with the help of Damian Meagher from Wiss, we have selected 5 of our top rams and entered them into the Hamilton Sheepvention Ram Sale which will be held on the 2nd August 2016. Our sale representative this year will be Elders. This would be a great time for you to take the opportunity to get in early on the selling season and grab one of our selected rams.

Rams are currently available for private inspection by calling either Russell or Trevor.

Our On-Property Sale will be held on Monday the 10th of October with a light lunch provided. We look forward to seeing you at our sales and wish you warmth and wellbeing through this Winter.

We would like to express our condolences to the Eats Family with the recent passing of a long standing client Mr Phil Eats. He gave our business a lot of support and he will be sadly missed.
