

JOB VACANCY

ASSISTANT FARM MANAGER For a Merino/XB Sheep and Cropping Property Holbrook District, Southern NSW

An exciting position has become available for an experienced person on a progressive family owned intensive 1600ha Wool and XB Lamb operation between Albury & Wagga in Southern NSW. The property currently runs 8,000 breeding ewes, plus lamb finishing and cropping.

The job is a **"hands-on"** position, involved with all aspects of the livestock and farming operation. There is excellent opportunity for learning and skills development and we envisage increased management responsibility for the right person in this growing business.

It is a necessity that applicants must have sound experience with sheep husbandry, along with **good** general knowledge of farm machinery and general maintenance. You must be energetic, motivated and able to handle responsibility. You must also be able to work unsupervised and provide your own working dogs.

We are offering the successful applicant an attractive salary package, **which includes** an attractive four-bedroom home, 8 minutes from Holbrook, 35 minutes from Albury, and 55 minutes from Wagga Wagga, based on **proven** experience and qualifications.

Please provide a covering letter and resume including recent referees and email to pmlocke@bigpond.com. For further enquiries please call Philip Locke on mobile **0427 362 082**
