

Please Note:
Our website now has the ability to download extra stationery if required e.g. Wool classer speci, shed books, tally books & vendor declaration

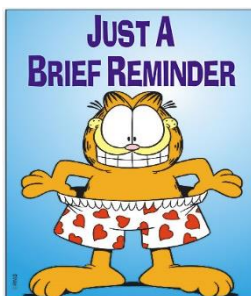

Keep up to date on the WISS iPhone app. Download free now from your app store.

August Report

A wise person once said, "less is better".

With not much positivity to report Indicators below are reflective of a brutal period to market wool. There's no doubt trade issues between China and the US are behind the market trend at the moment as well as the Chinese economy generally but as each week goes by the only reports from the trade is cheaper until a floor can be reached. It's hoped sooner rather than later for the industries sake.

	Southern Indicator		Movement C/kg cln	Percentage Movement
